

DAUN MUDA

SOULFOOD by ANDREA PERESTHU

Established in 2017, Daun Muda Soulfood is an offshoot of Javanegra Gourmet Atelier, a Spanish private dining restaurant. Chef Andrea Peresthu, who cooked authentic Spanish food daily, was inspired to explore a variety of cuisines. Born in Jambi and raised in Palembang, Chef Andrea decided to delve into dishes from his hometown and other Indonesian regions, reminiscing about his family's recipes. This curiosity, combined with immense support from his friends and family, led him to embark on a new culinary adventure: presenting an Indonesian specialty restaurant.

Daun Muda Soulfood was created to offer a selection of festive Indonesian dishes, igniting affection for our nation's rich culture through fresh spices and the Chef's original recipes. It is a place where families and friends come together to celebrate special moments with iconic culinary experiences.
